

Hometown Metropolitan District No. 2 was organized on June 13, 2008, concurrently with Hometown Metropolitan District Nos. 1, 3 and 4. The City of Arvada approved on February 22, 2008 a consolidated Service Plan for Hometown Metropolitan District Nos. 1-4. On January 28, 2016, both District Nos. 3 and 4 dissolved.

On May 8, 2016, District No. 1 changed its name to Westown Metropolitan District. Westown Metropolitan District operates as a completely separate and distinct entity from Hometown Metropolitan District No. 2, including under a its own separate service plan.

Hometown Metropolitan District No. 2 continues to operate under the original consolidated Service Plan for Hometown Metropolitan District Nos. 1-4, (although as noted above, District Nos. 3 and 4 are dissolved, and District No. 1 [now known as Westown Metropolitan District] operates under its own separate service plan).
